OUR STORY

Two destinations. *One legacy of hospitality.*

PORO POINT · 65-HECTARE CLIFFSIDE PROPERTY

Thunderbird Pilipinas Hotels & Resorts, Inc. is the steward of two of the country's most distinctive integrated resort destinations — a legacy built on hospitality, design, and a love of the Philippine coastline.

Thunderbird Resorts & Casinos – Poro Point is a premier integrated resort nestled on a scenic cliff of the Poro Point Peninsula, overlooking the West Philippine Sea and San Fernando Bay. All of the architecture in this 65-hectare property is inspired by the Santorini Island of Greece — earning it the name the “Santorini of Asia.”

It is the only resort in Northern Philippines with five-star hotel amenities — complete with hotel rooms and villas, a 9-hole golf course, restaurants, recreational facilities, and an event centre.
